*We got robbed! I just wanted to thank each of you who showed up and participated as a chapter. Our success this fellowship should not be measured on whether we won Sonic or not, but rather our attempt and concerted effort.*

*Service was handled with ease, thanks to all of you who took the burden and helped carry it along. Activities was also fun, on the waterfront, even those of you without a bathing suit; I saw getting involved in activities on the shore.*

*This fellowship was a lot of fun and lets make our last one just as good.*

*Special Needs Camporee*

*By: John Carlisle*

*Hello Elemukulek! On October 21-23, we have Special Needs Camporee at Camp Echockotee and I need each and every single one of you to come on out. We'll be staffing this event that allows children who do not have the same opportunities we've had in life to come out and have a great time camping. This is truly a life changing experience for them, and it is for us too. Along with running the event, you'll get a lodge flap and a T-Shirt for staffing. There will even be games for staff on Friday night, so you want to make sure you come out for the entire weekend! If you have any questions, please contact me at (904)607-0679, or at [johncarlislea@gmail.com](mailto:johncarlislea@gmail.com). Can't wait to see you all there!*
